Welcome to Wellfleet . . . the pearl of Cape Cod

WELCOME

Photo by Douglas Lovell

First inhabited by several Indian villages of the Nauset tribe, Wellfleet can trace a long history. Captain Smith voyaged here in 1614 and the pilgrims visited in 1620 before moving on. In 1763 it separated from being part of “the north district of Eastham” and incorporated as a town. In the early days, whaling ships dotted the horizons, and salt mills interrupted the landscapes. When the Fall River & Old Colony Railroad laid its tracks to Wellfleet around 1869, the industry of tourism was born and survives today. Instead of the railroad, we have the mid-Cape highway winding from one end of the Cape to the other. Instead of whaling ships, shell fishermen grace the harbor at low tide cultivating that world-renowned mollusk—the Wellfleet Oyster.

We welcome you to our historic seaside village located between the sandy shores of the Atlantic Ocean and Cape Cod Bay. We invite you to walk on the miles of unspoiled beaches, browse through the shops and galleries, swim in the fresh water ponds, savor the sweetness of a Wellfleet Oyster, surf the waves of White Crest, bicycle for miles on the Rail Trail, kayak in the bay, deep sea fish the Atlantic, spot a beautiful bird at the wildlife sanctuary, visit the Historical Museum, bounce the ball around the tennis court, hike on Great Island, play a round of golf, watch shell fishermen tend to their beds, skateboard in the park, crack into a fresh lobster, experience the theater or take in a movie at the drive-in, square dance at the pier, sail into the sunset, and stay longer than the pilgrims did.

Once you have experienced the wonders of Wellfleet, you will know you have found the true gem of the Cape. Come to Wellfleet... for the beauty of it... for the fun of it.

Enjoy Cape Cod at its best!

— Judy Pihl & Mignon Barry

Cover Information “At Rest” – 14”x20” – Watercolor – Karol B. Wykoff

Karol’s skills as a painter were developed at the Rhode Island School of Design and as the art director at Scholastic Magazine and Liberty Mutual Insurance Company. She is prolific in watercolor, oil and pastel. As the result of being awarded prizes at national and international exhibitions, she was invited to be a member and Signature member of many art associations. Her paintings are included in the collections of the Smithsonian, Cape Museum of Fine Art, World Trade Center and several prestigious private collectors. Karol donates an art scholarship every year to Rhode Island School of Design and the Hyannis Rotary.

The information in this book is correct to the best of our knowledge at the time of printing. Because of the changing restrictions due to the COVID-19 virus, we suggest when planning your visit to please check the listed websites for the most recent information. It does take a bit longer, but we hope it will make your vacation easier with less stress. Thank you for visiting us.

Information booth:

Location: 1410 Route 6, South Wellfleet

Hours: 9am to 5pm daily in summer. Weekends in spring and fall.

The Wellfleet Chamber of Commerce is a non-profit organization whose mission is to represent the business community, assist visitors and promote communication between residents, guests, and town agencies. This includes: the annual guidebook publication, operation of the information booth, website maintenance, awarding scholarships to Wellfleet students, and supporting local charities. This guidebook is partially funded by revenue received by the Town of Wellfleet from the local room occupancy tax. The Chamber will happily refer you to available accommodations, however, it is not responsible for an individual member's policies.

We wish to thank our friendly "information specialists" who staff our booth.

Officers:

President	Robert Morrill
Vice President	Ken Granlund Jr.
Secretary	Diane Hall
Treasurer	Brian Anderson
Exec. Administrator	Lara Henry

Board of Directors:

Todd Barry	Judith Stiles
Steve Lam	Sylvia Smith

Wellfleet Transfer & Recycling Station (Fondly called “The Dump” by locals)

370 Coles Neck Road - (508) 349-0335

Transfer Station Hours:

Memorial Day - Labor Day - 7 days a week 8am - 4pm

Labor Day - Memorial Day - 5 days a week 8am - 4pm

Mon, Tues, Fri, Sat, Sun

Recycling Plaza - 8am - 3:30pm

Swap Shop - Sat, Sun, Tues - 8am - 12pm

A transfer sticker is required and a purple Wellfleet Pay As You Throw bag for your trash (garbage). If you do not have a sticker, there is a \$5 Gate fee upon entering. If you do not have Purple bags, there is an additional \$5 charge for each bag. Purple bags are sold at the Wellfleet Market Place, and grocery stores in Provincetown and Orleans. They are NOT for sale at the Transfer Station.

Recycling Plaza entrance is free but you must notify the Gate Attendant upon entering.

A Wellfleet Transfer sticker is needed for the Swap Shop.

For additional information go to: Wellfleet-Ma.gov

Wellfleet Waters

Ocean and Bay Beaches

Towering dunes, cool surf and six miles of golden sand make the ocean beaches favorites for body and board surfing, sunbathing and beach walking. Come watch an early morning sunrise.

If you prefer warmer waters and calmer surf, the bayside beaches are for you. They are wonderful for swimming, collecting shells, or just relaxing. The vibrant hues of the sunsets at Duck Harbor are not to be missed.

Freshwater Ponds

The hidden gems of Wellfleet are the crystal clear waters of our fresh water ponds. These “kettle hole” groundwater fed ponds were formed from ice chunks left behind by the glaciers centuries ago. They are perfect for canoeing, kayaking, swimming and quiet reflection.

To preserve the beauty of these fragile ponds, for now and for the future, internal combustion engines are prohibited, as are soap, detergents, and shampoos. Pets are not allowed. Fish and animals at the ponds are fun to observe but should be left alone. Respect shoreline vegetation, which protects the pond waters. Enjoy...

MAYO BEACH

After the railroads brought visitors to the Outer Cape in the late nineteenth century, Lorenzo Dow Baker donated this waterfront area to the town. Mayo Beach remains a “free parking” beach today in keeping with Baker’s deed that it remain open to the public.

“One of the Best Beach Towns”

- Yankee Magazine

“Happiest Seaside Town”

- Coastal Living

Wellfleet Beaches

Sticker Required: Third week in June through Labor Day unless noted.

Sticker Office at Town Pier

- Open 9:00am-4:00pm daily.
- Non-resident fees set in January. Call 508-349-9818 for information.
- A car registration and a lease signed by the landlord or a “proof of stay” form are **REQUIRED**.
- Credit cards accepted. No personal checks.
- Stickers *MAY* also be available at your motel, cottage colony, or real estate agency.

All of our beaches are environmentally sensitive areas. More than 70% of our beaches are public. On the harbor many beaches are privately owned. Please be aware and respectful of owners’ rights.

Dogs are never allowed on bay or pond beaches. Dogs on a leash are permitted on ocean beaches before 9am and after 5pm. Wellfleet has a law requiring dogs to be leashed at all times. ***We ask that you please pick up after your dog.***

Beach fires are allowed on ocean beaches after 6:30pm with a fire permit which is available at the Beach Sticker Office at the pier.

The Cape Cod National Seashore

President John F. Kennedy signed a bill on August 7, 1961 creating the Cape Cod National Seashore. Portions of land from the towns of Orleans, Eastham, Wellfleet, Truro, and Provincetown now make up the 27,700 acre National Park. Preserved in its natural state, the Seashore offers visitors approximately 30 miles of the finest pristine coastline on the Atlantic Ocean. Contact nps.gov/caco for more information.

Salt Pond Visitor Center – Route 6 Eastham

- An overview of the history and peoples of the Outer Cape.
- Schedule of guided and self-guided walking tours.
- Evening programs held in the outdoor amphitheater.

Marconi Site – South Wellfleet

- Location where Guglielmo Marconi sent the first transatlantic telegraph to King Edward VII of England in 1903.
- Model of the station and remains of the bases of the antenna masts.
- Magnificent view of the Atlantic Ocean.
- Atlantic White Cedar Swamp Walk – Trail open year round.

Swimming Beaches

- Life guards on duty daily in season.
- Parking fees: Check nps.gov/caco
- Annual Senior Pass (over 62/US citizen): \$20/yr.
- Annual Pass (under 62): \$60/yr.

Bicycle Paths

- Salt Pond Visitor Center in Eastham.
- Head of the Meadow Beach in Truro.
- Province Lands in Provincetown.

These complement the State-owned Cape Cod Rail Trail Bike Path.

Walking Trails

- Great Island – Griffin Island – Bound Brook Island – Atlantic White Cedar Swamp Walk – the Wellfleet Tidal Flats.

Visitors' Centers

- Salt Pond Visitor Center, Rt. 6, Eastham

WELLFLEET'S FINEST 36 Years and Counting

"Staff that is *always friendly*. Keys that go easily into actual locks on actual doors. Walking distance to *endless beaches*. A great restaurant and bar on EACH side. To not love The Southfleet is some heavy churl." ~ W.P.

"I recently stayed at The Southfleet and wouldn't stay anywhere else. Even if you don't leave the premises, there is so much you can do, with an indoor and outdoor pool, a hot tub, a sauna, bikes, playground, ping pong and places to walk. The rooms are *super clean*, and the beds are *very comfortable*." ~J.S.

The Town Clock

According to "*Ripley's Believe it or Not*" the only Town clock in the world that strikes on ship's time is located on Main Street in the steeple of the 1850's First Congregational Church.

In 1952 with \$500.00 raised by the town, Lawrence Gardinier, a town selectman and tinker shop owner, built and assembled the clock mechanism and the bells.

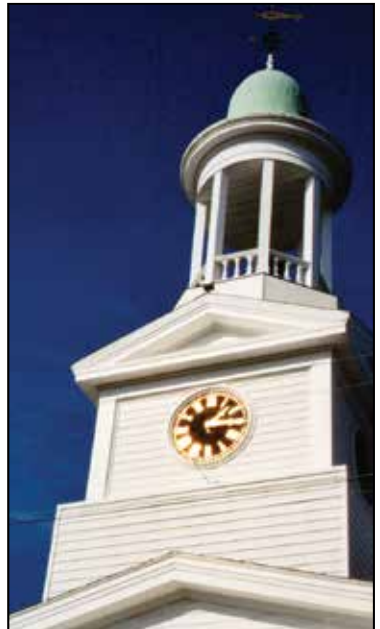

Bells chime on the half hour thus the half hours are struck by adding one stroke to the corresponding even hours.

"two bells" at one, five, and nine o'clock

"four bells" at two, six, and ten o'clock

"six bells" at three, seven and eleven o'clock

"eight bells" at four, eight and twelve o'clock
Thus one bell at 12:30, two bells at 1:00, three bells at 1:30, four bells at 2:00. The cycle repeats. The clock tower still serves as a beacon to boaters approaching the harbor today.

***Mayo Beach Lighthouse***

The 30 foot, cast-iron tower, erected in 1881, was the last lighthouse to be built in the harbor area. A notable distinction is that it was the first one to have a female lighthouse keeper. Rumor had it that it was destroyed in 1939. Imagine the shock and surprise when 80 years later, Colleen MacNeney along with her parents, Bob and Sandra Shanklin, discovered the lighthouse sitting

3,000 miles away at point Montara, just south of San Francisco. The reason is not clear why a lighthouse would have been moved so far, but it had been transferred from excess stock from one Coast Guard district to another. The lighthouse keeper's house still stands in its original location on Kendrick Avenue and remains a popular subject for artists.

Judith Shahn

15 Commercial Street, Wellfleet 508-349-2530 www.covegallery.com

Art in the Village

The Wellfleet art community is an important part of the cultural environment and ambience of the village. More than 20 established galleries show a wide and impressive range of art. These galleries not only showcase local artists, but also exhibit nationally and internationally known artists. Each gallery has its own unique personality. Many galleries are artist owned and visitors can enjoy watching them create art.

You can spend a wonderful day enjoying the works of hundreds of artists exhibiting ceramics, paintings, original prints, jewelry, glass, sculpture, photography, fiber art, and unique furniture.

Gallery openings on Saturday evenings, in season,
are a popular social event in Wellfleet.

Walk from gallery to gallery on a summer evening;
view the art and meet the artists.

Cultural events occur throughout the summer season including musical performances, art demonstrations and lectures. The area hosts multiple live performance theaters for adults and children.

Most galleries are open daily from mid-May to mid-October. Some are open year round. Pick up a Gallery and Restaurant Walking Map and a theater schedule from any of the galleries, lodgings or restaurants.

Artist's Cover Competition:

To select the cover for its annual guidebook, the Wellfleet Chamber of Commerce holds a competition of original artwork and photography of Wellfleet images. Entries are exhibited at the Wellfleet Library in October. The Chamber members vote on the entries.

If you have that artistic flair, we would love to have your submission.

Contact the Chamber office: 508-349-2510.

The Wellfleet Chamber of Commerce

Supporting our community.....

- Over \$408,000 in scholarships awarded to Wellfleet students.
- Over \$6,500 given to local charities in 2020.
- Maintains a Chamber Helping Neighbors fund.
- Promotes artists by featuring original art on our guidebook cover.

Sponsoring local events.....

- Restaurant Week
- 4th of July Parade
- Winter Stroll
- Business Workshops

Helping our visitors.....

- Serves over 8,300 visitors at our information booth.
- Publishes and distributes 24,000 guidebooks.
- Maintains an active web site.

And we have a great time! We'd love to have you join us.

Become a member, become a friend.

Wellfleet Shellfishermen's Farmers Market - WellfleetShellfishermen.org Features fresh Wellfleet Seafood including oysters, clams, and sea scallops direct from the Wellfleet Shellfishermen and Wellfleet Boat Captains. Pre-order on our website then pick up your farm-direct shellfish. Every Wednesday from 12-2. Details are on our website.

Wellfleet's Oyster Shacks

Located next to the Anchor Memorial, this 8' by 10' cedar shingled building, circa 1935, was one of the many that centered around the Duck Creek railroad bridge when oysters were regularly sent to Boston and New York City by train.

The shack now located at Mayo Beach belonged to Earl Rich.

Photo by David Danziger

Shellfishing is an important part of the Wellfleet economy. Shellfishing and shellfish farming on grants take place in specific areas throughout the harbor. Aquaculture areas are marked with floating yellow balls at each corner. White floats with red stripes and a red diamond mark underwater fishing gear. Please check with the Harbormaster's Office at the pier for rules and regulations concerning all water recreation.

What makes Wellfleet Oysters special?

The salinity in Wellfleet Harbor is relatively higher than the more brackish estuaries. Wellfleet waters have significant tides, averaging 10 to 12 feet. This means a high volume of fresh,

plankton-rich ocean water washes swiftly through and feeds the oyster beds twice a day. These variations greatly contribute to the Wellfleets' distinctive balanced flavor of creamy sweetness and brine. Enjoy our best!

Wellfleet 2021

Past Guidebook Covers

Wellfleet - The Quiet Season

Quiet moments to refresh and renew. That is what Wellfleet offers you in the off-season.

Do things you never take time to do. Explore the charm of this small village.

Bike, walk and hike the National Seashore. Experience special moments with nature.

Catch a winter red sunset over Cape Cod Bay. Take a yoga class, read a book or two, walk the beaches. Enjoy the theater, a movie matinee and live music performances.

Savor the succulent oyster in their happiest season.

Bump into locals at some of the winter spots to dine.

Wellfleet's "Fruits of the Sea"

Photo by E.T. Loebsta

Savor that one-of-a-kind experience as a cooled freshly-shucked Wellfleet oyster hits your palette with a sweet and briny sensation. Mussels, with their deep blue-black shells, are steamed with garlic and fresh herbs. Littleneck and cherrystone clams are commonly served on the half shell. Quahogs are served as stuffed clams or used in chowders. Soft-shelled, long-necked clams are best known as "steamers" for the way they are prepared. Sweet, rich sea scallops are available year round while the smaller bay scallop is harvested in the fall. While in Wellfleet, you must sit down in front of a steaming lobster full of luscious meat. All you need is butter and a bib! Be sure to enjoy all of our "fruits of the sea."

Fishing in Wellfleet

Whether you are surfcasting at the ocean, linecasting from a boat, or freshwater fishing in our glacier ponds, the sport of fishing on the waters of Wellfleet remains a draw to anglers from all over the world. Please refer to our listings for members dedicated to making your fishing experience the best. For information on fees and/or licenses: mass.gov/dfwele/dfw.

The Changing Tides of Wellfleet

The tide is the alternate rising and falling of the surface of the ocean and of connected water bodies. High tide is when the water is at its greatest elevation. Low tide is when the ebb is at its furthest point. Tides are caused by the gravitational attraction of the sun and moon occurring unequally on different parts of the earth. The tide changes every six hours.

In Wellfleet, the average difference between high and low tide is 10 feet. If you are a boater, this is important information as the boat ramp is closed for one hour on either side of Mean Low Tide. When the tide is high enough, the bridge going out to Lieutenant's Island will be covered and impassable. At low tide on the bay side, you can watch the shell fishermen working their beds of oysters and clams. By Keith Scott

Uncle Tim's Bridge

Constructed in 1844 the wooden footbridge, known then as "the bridge over Duck Creek" served as a shortcut into town. At the time, Timothy Daniels, referring to himself as "Uncle Tim," lived at the bottom of Whit's Lane. Being quite a self-promoting character, he was a fisherman, seaman, merchant, tour guide, and the "go to" man in town. He died in 1893, but somehow his name lives on.

In the late 1940s, people started calling the bridge, "Uncle Tim's Bridge." So why fifty years after the death of this colorful, but undistinguished individual the bridge took on his name remains an historical mystery.

Replicating its original look, the bridge was reconstructed in 2008 and remains the most photographed scene in Wellfleet. Take a stroll over the bridge to Hamblen Park, Wellfleet's first public park. Marked trails lead to the top of the hill where you can enjoy a great view of the harbor. As you explore, please be respectful of the private shoreline outside of the park. By Donna McCaffery
