

2022 Submission Guidelines and Details

Thanks for your interest in this annual art contest hosted by the Wellfleet Chamber! Artists are asked to submit work of an easily recognizable Wellfleet scene. The main subject of the work should be on the right-hand side, see diagram below. Two works from each artist may be submitted. Entries are not required to be framed since the contest is virtual, though a frame may be a nice touch!

You may submit artwork in any medium, however your submission should be photographed for display on the website. Please take some time and submit quality, high resolution images, as they will be displayed at the competition art show and voted on to decide the winner. Note that the Wellfleet Chamber reserves the right to crop your photos as needed to be posted on the art show webpage.

Entries will only be accepted September 7 – October 4 using the form listed on the Chamber website www.wellfleetchamber.com

Entries will be on display to members and the general public from October 8 – 28 on the Chamber website. Ballots will be accepted at this time.

Three winning entries will be selected by ballot vote of the members of the Wellfleet Chamber of Commerce. **The first, second and third place winners will be announced on October 30 and the first-place winning entry will adorn the 2022 cover of the Wellfleet Chamber Guidebook.** The second and third place winners will be listed and printed, along with thumbnail photos of their artwork, in the upcoming Chamber Guidebook. The winner of the “popular vote,” cast by non-members, will also be announced at this time.
